

# Diversity

The League of Women Voters of Santa Barbara supports diversity in all facets of the community.

## **Position History:**

Reworded 1995 and 1998; Updated 2001.

- Encourage minority persons who reflect the diversity in our communities to serve on existing governmental boards, commissions and councils as well as on boards of non-profit agencies.
- Support the development and continuance of human relations commissions and task forces to study community needs, to resolve conflicts between different ethnic groups; and to help implement those recommendations which are consistent with League policies.
- Develop a League outreach effort leading to co-sponsorship of forums and other events on issues of concern to minority communities.
- Encourage diversity in League membership.
