

Sept. 15 - Community Forum
***People Powered Fair Maps:
Why Redistricting Matters***

Hear from an expert panel to learn how you can help create positive impacts on your own community for the next 10 years.

Wednesday, September 15, Noon to 2 PM via Zoom. See below to register.

SPEAKERS

David Becker, Executive Director, Center for Elections Innovation & Research, will discuss the redistricting requirements of the Voting Rights Act and local ordinances and factors that must be considered in drawing new maps.

Glenn Morris and Megan Turley, Chair and Vice Chair of the Santa Barbara County Citizens Independent Redistricting Commission, will discuss redistricting in Santa Barbara County and the processes to be followed for drawing new maps.

Ted Anagnoson, Ph.D., Visiting Professor at UCSB and Professor Emeritus, Cal State Los Angeles, will talk about recent research on redistricting efforts and what Political Science professors are saying.

To register for this online event, send an email to Pam Flynt Tambo:

VPPprogram@lwvsantabarbara.org.

Simultaneous Spanish interpretation will be provided. The Forum will also be recorded for later viewing. Recordings of the Forum in both English and Spanish will be posted on the League's website – see lwvsantabarbara.org.
